

Hello again Friends of Memorial Library,

First, let me apologize. In update 10, the email address for President Campbell was not correct. If you have been trying unsuccessfully to send email to him, please try: rcampbell@mta.ca. Some messages to Bruce McCubbin, (bruce.mccubbin@moosehead.ca) chairman of the Board of Regents, have also been "returned to sender". Mail has been received from him at that address but you may also try: bmccubbin@moosehead.ca.

Last Saturday the Globe and Mail carried an article about the Mount Allison Memorial Library on page A15 entitled "**Razing of NB war memorial sparks outrage**". It may be viewed at: <http://www.theglobeandmail.com/news/national/razing-of-war-memorial-sparks-outrage/article2226675/>.

Attached is a photo of the iconic Memorial Library as it looks today.

The Save The Memorial Library Committee wishes to thank all those who have contributed to the Trust Fund to help defray the legal fees incurred in attempting to obtain an injunction to stop the demolition. If you wish to contribute, please send donations to: "E. J. Mockler Professional Corporation In Trust" to "Save Mt A Memorial Library"
E. J. Mockler Professional Corporation,

Documentation and information about this desecration will remain available at: <http://www.eastmarket.com/smash/>

Sincerely,

Bruce
